- (g) the right of the shares of that series to the benefit of conditions and restrictions upon the creation of Indebtedness of the Company or any subsidiary, upon the issue of any additional shares (including additional shares of such series or any other series) and upon the payment of dividends or the making of other distributions on, and the purchase, redemption or other acquisition by the Company or any subsidiary of any issued shares of the Company;
- (h) the rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution or winding up of the Company, and the relative rights of priority, if any, of payment of shares of that series; and
- (i) any other relative participating, optional or other special rights, qualifications, limitations or restrictions of that series.

10.7 Any Preference Shares of any series which have been redeemed (whether through the operation of a sinking fund or otherwise) or which, if convertible or exchangeable, have been converted into or exchanged for shares of any other class or classes shall have the status of authorised and unissued Preference Shares of the same series and may be reissued as a part of the series of which they were originally a part or may be reclassified and reissued as part of a new series of Preference Shares to be created by resolution or resolutions of the Board or as part of any other series of Preference Shares, all subject to the conditions and the restrictions on issuance set forth in the resolution or resolutions adopted by the Board providing for the issue of any series of Preference Shares.

10.8 Subject to the Specified Bye-laws, the Company may adopt rights plans or similar agreements and issue securities, Contracts, obligations, warrants or other instruments evidencing any shares, option rights, or securities having conversion or option rights, or any other Rights, in each case on such terms, conditions and other provisions as are fixed by the Board; provided that, in any such case, and as a condition to such issuance, the Partnership simultaneously issues to BTG Holdco (or another member of the BTG Group) a corresponding security with identical rights (with respect to Partnership Interests).

10.9 All the rights attaching to a Treasury Share shall be suspended and shall not be exercised by the Company while it holds such Treasury Share and, except where required by the Act, all Treasury Shares shall be excluded from the calculation of any percentage or fraction of the share capital or shares of the Company.

11. Calls on Shares

- 11.1** The Board may make such calls as it thinks fit upon the Members in respect of any monies (whether in respect of nominal value or premium) unpaid on the shares allotted to or held by such Members (and not made payable at fixed times by the terms and conditions of issue) and, if a call is not paid on or before the day appointed for payment thereof, the Member may at the discretion of the Board be liable to pay the Company interest on the amount of such call at such rate as the Board may determine, from the date when such call was payable up to the actual date of payment. The Board may differentiate between the holders as to the amount of calls to be paid and the times of payment of such calls.
- 11.2** Any sum which by the terms of allotment of a share becomes payable upon issue or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall for all the purposes of these Bye-laws be deemed to be a call duly made and payable, on the date on which, by the terms of issue, the same becomes payable, and in case of non-payment all the relevant provisions of these Bye-laws as to payment of interest, costs, charges and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
- 11.3** The joint holders of a share shall be jointly and severally liable to pay all calls and any interest, costs and expenses in respect thereof.
- 11.4** The Company may accept from any Member the whole or a part of the amount remaining unpaid on any shares held by him, although no part of that amount has been called up or become payable.

12. Prohibition on Financial Assistance

The Company shall not give, whether directly or indirectly, whether by means of loan, guarantee, provision of security or otherwise, any financial assistance for the purpose of the acquisition or proposed acquisition by any person of any shares in the Company, but nothing in this Bye-law shall prohibit transactions permitted under the Act.

13. Forfeiture of Shares

- 13.1** If any Member fails to pay, on the day appointed for payment thereof, any call in respect of any share allotted to or held by such Member, the Board may, at any time thereafter during such time as the call remains unpaid, direct the Secretary to forward such Member a notice in writing in the form, or as near thereto as circumstances admit, of the following:

- 13.2** If the requirements of such notice are not complied with, any such share may at any time thereafter before the payment of such call and the interest due in respect thereof be forfeited by a resolution of the Board to that effect, and such share shall thereupon become the property of the Company and may be disposed of as the Board shall determine.
- 13.3** A Member whose share or shares have been forfeited as aforesaid shall, notwithstanding such forfeiture, be liable to pay to the Company all calls owing on such share or shares at the time of the forfeiture and all interest due thereon and any costs and expenses incurred by the Company in connection therewith.
- 13.4** The Board may accept the surrender of any shares which it is in a position to forfeit on such terms and conditions as may be agreed. Subject to those terms and conditions, a surrendered share shall be treated as if it had been forfeited.

14. Share Certificates

- 14.1** Every Member shall be entitled to a certificate under the seal of the Company (or a facsimile thereof) specifying the number and, where appropriate, the class of shares held by such Member and whether the same are fully paid up and, if not, specifying the amount paid on such shares. The Board may by resolution determine, either generally or in a particular case, that any or all signatures on certificates may be printed thereon or affixed by mechanical means.
- 14.2** The Company shall be under no obligation to complete and deliver a share certificate unless specifically called upon to do so by the person to whom the shares have been allotted.
- 14.3** Any share certificate issued by the Company to a Member shall bear the following legend or such other legend as the board may determine is reasonably necessary under applicable Law:

THE SHARES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE RESTRICTIONS ON TRANSFER, VOTING ARRANGEMENTS AND OTHER PROVISIONS SET FORTH IN THE BYE-LAWS OF PPLA PARTICIPATIONS LTD., AS SUCH MAY BE AMENDED FROM TIME TO TIME, A COPY OF WHICH IS AVAILABLE FOR INSPECTION AT THE REGISTERED OFFICE OF PPLA PARTICIPATIONS LTD. AND WILL BE FURNISHED WITHOUT CHARGE BY BTG PACTUAL PARTICIPATIONS LTD TO THE HOLDER HEREOF UPON WRITTEN REQUEST. NO TRANSFER OF SHARES WILL BE MADE IN THE REGISTER OF MEMBERS OF PPLA PARTICIPATIONS LTD. , AND SUCH TRANSFER WILL BE

NULL AND VOID, UNLESS ACCOMPANIED BY EVIDENCE OF COMPLIANCE WITH THE TERMS OF THE BYE-LAWS AND ANY APPLICABLE LAW.

- 14.4** If any share certificate shall be proved to the satisfaction of the Board to have been worn out, lost, mislaid, or destroyed the Board may cause a new certificate to be issued and request an indemnity for the lost certificate if it sees fit.

15. Fractional Shares

The Company may issue its shares in fractional denominations and deal with such fractions to the same extent as its whole shares and shares in fractional denominations shall have in proportion to the respective fractions represented thereby all of the rights of whole shares including (but without limiting the generality of the foregoing) the right to vote, to receive dividends and distributions and to participate in a winding-up.

REGISTRATION OF SHARES

16. Register of Members

- 16.1** The Board shall cause to be kept in one or more books a Register of Members and shall enter therein the particulars required by the Act.

- 16.2** The Register of Members shall be open to inspection without charge at the registered office of the Company on every business day, subject to such reasonable restrictions as the Board may impose, so that not less than two hours in each business day be allowed for inspection. The Register of Members may, after notice has been given in accordance with the Act, be closed for any time or times not exceeding in the whole thirty days in each year.

17. Registered Holder Absolute Owner

The Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not be bound to recognise any equitable claim or other claim to, or interest in, such share on the part of any other person.

18. Transfer of Registered Shares

- 18.1** Subject to Bye-law 18.5, the Board shall not register a direct transfer of shares unless the provisions of Bye-laws 8.2, 8.3 and, to the extent applicable, 79 or 80 have been complied with, and all applicable consents, authorisations and permissions of any governmental or regulatory body or agency in Bermuda, the United States, Brazil or any other applicable jurisdiction required to be obtained shall have been obtained. If the transfer of shares complies with the foregoing, the Board shall register such transfer. For the purposes of determining whether Bye-law 79 or 80 applies to any proposed transfer of shares, the

Board may require a Member to provide such information as to its identity and the identity of the proposed transferee as the Board may reasonably request.

- 18.2** An instrument of transfer shall be in writing in the form of the following, or as near thereto as circumstances admit, or in such other form as the Board may accept:

- 18.3** Such instrument of transfer shall be signed by or on behalf of the transferor and transferee, provided that, in the case of a fully paid share, the Board may accept the instrument signed by or on behalf of the transferor alone. The transferor shall be deemed to remain the holder of such share until the same has been transferred to the transferee in the Register of Members.
- 18.4** The joint holders of any share may directly transfer such share to one or more of such joint holders, and the surviving holder or holders of any share previously held by them jointly with a deceased Member may transfer any such share to the executors or administrators of such deceased Member.
- 18.5** Notwithstanding Bye-law 8.2, shares may be directly transferred without a written instrument if transferred by an appointed agent or otherwise in accordance with the Act.

19. Transmission of Registered Shares

- 19.1** In the case of the death of a Member, the survivor or survivors where the deceased Member was a joint holder, and the legal personal representatives of the deceased Member where the deceased Member was a sole holder, shall be the only persons recognised by the Company as having any title to the deceased Member's interest in the shares. Nothing herein contained shall release the estate of a deceased joint

holder from any Liability in respect of any share which had been jointly held by such deceased Member with other persons. Subject to the provisions of the Act, for the purpose of this Bye-law, legal personal representative means the executor or administrator of a deceased Member or such other person as the Board may decide as being properly authorised to deal with the shares of a deceased Member.

- 19.2** Any person becoming entitled to a share in consequence of the death or bankruptcy of any Member may be registered as a Member upon such evidence as the Board may deem sufficient, or may elect to nominate some person to be registered as a transferee of such share, and in such case the person becoming entitled shall execute in favour of such nominee an instrument of transfer in writing in the form, or as near thereto as circumstances admit, of the following:

Transfer by a Person Becoming Entitled on Death/Bankruptcy of a Member
• (the “Company”)

I/We, having become entitled in consequence of the [death/bankruptcy] of [name and address of deceased/bankrupt Member] to [number] share(s) standing in the Register of Members of the Company in the name of the said [name of deceased/bankrupt Member] instead of being registered myself/ourselves, elect to have [name of transferee] (the “Transferee”) registered as a transferee of such share(s) and I/we do hereby accordingly transfer the said share(s) to the Transferee to hold the same unto the Transferee, his or her executors, administrators and assigns, subject to the conditions on which the same were held at the time of the execution hereof; and the Transferee does hereby agree to take the said share(s) subject to the same conditions.

On the presentation of the foregoing materials to the Board, accompanied by such evidence as the Board may require to prove the title of the transferor, the transferee shall be registered as a Member. Notwithstanding the foregoing, the Board shall, in any case, have the same right to decline or suspend registration as it would have had in the case of a transfer of the share by that Member before such Member’s death or bankruptcy, as the case may be.

- 19.3** Where two or more persons are registered as joint holders of a share or shares, then in the event of the death of any joint holder or holders the remaining joint holder or holders shall be absolutely entitled to the said share or shares and the Company shall recognise no claim in respect of the estate of any joint holder except in the case of the last survivor of such joint holders.

ALTERATION OF SHARE CAPITAL

20. Power to Alter Capital

- 20.1** Subject to the Specified Bye-laws, the Company may increase, divide, consolidate, subdivide, change the currency denomination of, diminish or otherwise alter or reduce its share capital in any manner permitted by the Act; provided that the Company shall not be entitled to take any of the foregoing actions or conduct any similar recapitalization or reclassification with respect to the Class A Shares, Class B Shares or Class D Shares unless, in each case, an identical transaction occurs concurrently with and in the same manner with respect to both the Class A Shares, Class B Shares and Class D Shares of the Company, on the one hand, and each class of Partnership Interests, on the other hand, such that, after giving effect to such transactions, the ratio of Class A Shares, Class B Shares and Class D Shares to Partnership Interests is maintained.

- 20.2** Where, on any alteration or reduction of share capital, fractions of shares or some other difficulty would arise, the Board may deal with or resolve the same in such manner as it thinks fit.

21. Variation of Rights Attaching to Shares

If, at any time, the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, whether or not the Company is being wound-up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class or with the sanction of a resolution passed by a majority of the votes cast at a separate general meeting of the holders of the shares of the class at which meeting the necessary quorum shall be two persons at least holding or representing by proxy one-third of the issued shares of the class. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith, or in priority to, any existing shares, whether as to voting rights, dividends or otherwise.

DIVIDENDS AND CAPITALISATION

22. Dividends

- 22.1** The Board shall declare dividends as set forth in Bye-law 5. Subject to the Specified Bye-laws, the Board may from time to time, in accordance with the Act, declare a dividend to be paid to the Members, in proportion to the number of shares held by them at any other time. Any dividend may be paid in cash or

wholly or partly in specie (subject to Bye-law 22.3) in which case the Board may fix the value for distribution in specie of any assets. No unpaid dividend shall bear interest as against the Company.

- 22.2** The Board may fix any date as the record date for determining the Members entitled to receive any dividend; provided that in the case of dividends made pursuant to Bye-law 5, the record date shall be the same record date fixed by the Partnership when determining the holders of Partnership Interests entitled to receive such dividend.
- 22.3** Notwithstanding anything in this Bye-law 22 to the contrary, the Company shall not make any dividend or other pro rata distribution of its Class A Shares, Class B Shares or Class D Shares to the holders of such Shares, unless a similar transaction is effected concurrently with respect to the Partnership Interests such that, after giving effect to such transactions the ratio of Class A Shares, Class B Shares and Class D Shares to Partnership Interests is maintained.
- 22.4** The Company may pay dividends in proportion to the amount paid up on each share where a larger amount is paid up on some shares than on others.

23. Power to Set Aside Profits

The Board may, before declaring a dividend, set aside out of the surplus or profits of the Company, such sum as it thinks proper as a reserve to be used to meet contingencies or for equalising dividends or for any other purpose.

24. Method of Payment

- 24.1** Any dividend or other monies payable in respect of a share may be paid by cheque or warrant sent through the post directed to the address of the Member in the Register of Members (in the case of joint Members, the senior joint holder, seniority being determined by the order in which the names stand in the Register of Members), or by direct transfer to such bank account as such Member may direct. Every such cheque shall be made payable to the order of the person to whom it is sent or to such persons as the Member may direct, and payment of the cheque or warrant shall be a good discharge to the Company. Every such cheque or warrant shall be sent at the risk of the person entitled to the money represented thereby. If two or more persons are registered as joint holders of any shares any one can give an effectual receipt for any dividend paid in respect of such shares.
- 24.2** The Board may deduct from the dividends or distributions payable to any Member all monies due from such Member to the Company on account of calls or otherwise.
- 24.3** Any dividend and or other monies payable in respect of a share which has remained unclaimed for 7 years from the date when it became due for payment shall, if the Board so resolves, be forfeited and cease to remain owing by the Company. The payment of any unclaimed dividend or other moneys payable in

respect of a share may (but need not) be paid by the Company into an account separate from the Company's own account. Such payment shall not constitute the Company a trustee in respect thereof.

24.4 The Company shall be entitled to cease sending dividend cheques and warrants by post or otherwise to a Member if those instruments have been returned undelivered to, or left uncashed by, that Member on at least two consecutive occasions, or, following one such occasion, reasonable enquiries have failed to establish the Member's new address. The entitlement conferred on the Company by this Bye-law 24.4 in respect of any Member shall cease if the Member claims a dividend or cashes a dividend cheque or warrant.

25. Capitalisation

25.1 The Board may resolve to capitalise any sum for the time being standing to the credit of any of the Company's share premium or other reserve accounts or to the credit of the profit and loss account or otherwise available for distribution by applying such sum in paying up unissued shares to be allotted as fully paid bonus shares pro-rata (except in connection with the conversion of shares of one class to shares of another class) to the Members.

25.2 The Board may resolve to capitalise any sum for the time being standing to the credit of a reserve account or sums otherwise available for dividend or distribution by applying such amounts in paying up in full partly paid or nil paid shares of those Members who would have been entitled to such sums if they were distributed by way of dividend or distribution.

MEETINGS OF MEMBERS

26. Annual General Meetings

The annual general meeting of the Company shall be held in each year (other than the year of incorporation) at such time and place as the President or the Chairman or any two Directors or any Director and the Secretary or the Board shall appoint.

27. Special General Meetings

The President or the Chairman or any two Directors or any Director and the Secretary or the Board may convene a special general meeting of the Company whenever in their judgment such a meeting is necessary.

28. Requisitioned General Meetings

The Board shall, on the requisition of Members holding at the date of the deposit of the requisition not less than one-tenth of such of the paid-up share capital of the Company as at the date of the deposit carries the right to vote

at general meetings of the Company, forthwith proceed to convene a special general meeting of the Company and the provisions of the Act shall apply.

29. Notice

- 29.1** At least five days' notice of an annual general meeting shall be given to each Member entitled to attend and vote thereat, stating the date, place and time at which the meeting is to be held, and as far as practicable, the business to be conducted at the meeting. Such notice need not state the purpose or purposes of such meeting, except as may otherwise be required by the Act.
- 29.2** At least five days' notice of a special general meeting shall be given to each Member entitled to attend and vote thereat, stating the date, time, place and the general nature of the business to be considered at the meeting. Such notice need not state the purpose or purposes of such meeting, except as may otherwise be required by the Act.
- 29.3** The Board may fix any date as the record date for determining the Members entitled to receive notice of and to vote at any general meeting of the Company.
- 29.4** A general meeting of the Company shall, notwithstanding that it is called on shorter notice than that specified in these Bye-laws, be deemed to have been properly called if it is so agreed by (i) all the Members entitled to attend and vote thereat in the case of an annual general meeting; and (ii) by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together holding not less than 95% in nominal value of the shares giving a right to attend and vote thereat in the case of a special general meeting. Attendance of a Member at any general meeting shall constitute waiver of the required notice period, except where a Member attends the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.
- 29.5** The accidental omission to give notice of a general meeting to, or the non-receipt of a notice of a general meeting by, any person entitled to receive notice shall not invalidate the proceedings at that meeting.

30. Giving Notice

- 30.1** A notice may be given by the Company to any Member either by delivering it to such Member in person or by sending it to such Member's address in the Register of Members or to such other address given for the purpose. For the purposes of this Bye-law, a notice may be sent by letter mail, courier service, cable, telex, telecopier, facsimile, electronic mail or other mode of representing words in a legible form.
- 30.2** Any notice required to be given to a Member shall, with respect to any shares held jointly by two or more persons, be given to whichever of such persons is named first in the Register of Members and notice so given shall be sufficient notice to all the holders of such shares.

30.3 Any notice shall be effective: (a) if given by personal delivery, when personally delivered and the appropriate signed receipt therefore is obtained; (b) if given by mail, five days after such communication is deposited in the mails with first-class postage prepaid, addressed to the Member's address in the Register of Members; (c) if given by overnight courier, 48 hours after such communication is received by such courier; or (d) if given by facsimile or electronic mail, when such facsimile is transmitted to the facsimile number or sent to the electronic mail address specified by the Member and the appropriate answer back or confirmation is received.

31. Postponement or Cancellation of General Meeting

The Chairman or the President may, and the Secretary on instruction from the Chairman or the President shall, postpone or cancel any general meeting called in accordance with the provisions of these Bye-laws (other than a meeting requisitioned under these Bye-laws) provided that notice of postponement or cancellation is given to each Member before the time for such meeting. Fresh notice of the date, time and place for the postponed or cancelled meeting shall be given to the Members in accordance with the provisions of these Bye-laws.

32. Attendance and Security at General Meetings

32.1 Members may participate in any general meeting by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

32.2 The Board may, and at any general meeting, the chairman of such meeting may make any arrangement and impose any requirement or restriction it or he considers appropriate to ensure the security of a general meeting including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place. The Board and, at any general meeting, the chairman of such meeting are entitled to refuse entry to a person who refuses to comply with any such arrangements, requirements or restrictions.

33. Quorum at General Meetings

33.1 At any general meeting of the Company, the holder of the Class C Share present in person or by proxy shall form a quorum for the transaction of business; provided that, with respect to any general meeting at which the Company proposes to take any action which requires the approval of the holders of the Class A Shares, Class B Shares or Class D Shares voting as a single class, subject to Bye-law 21, two or more persons present in person at the start of the meeting and representing in person or by proxy in excess of 50% of the total issued Class A Shares, Class B Shares or Class D Shares, as applicable, shall form a quorum for the transaction of business. Notwithstanding the preceding sentence, if the Company shall at

any time have only one Member, one Member present in person or by proxy shall form a quorum for the transaction of business at any general meeting of the Company held during such time.

- 33.2** If within half an hour from the time appointed for the meeting a quorum is not present, then, in the case of a meeting convened on a requisition, the meeting shall be deemed cancelled and, in any other case, the meeting shall stand adjourned to the same day one week later, at the same time and place or to such other day, time or place as the Secretary may determine. If the meeting shall be adjourned to the same day one week later or the Secretary shall determine that the meeting is adjourned to a specific date, time and place, it is not necessary to give notice of the adjourned meeting other than by announcement at the meeting being adjourned. If the Secretary shall determine that the meeting be adjourned to an unspecified date, time or place, fresh notice of the resumption of the meeting shall be given to each Member entitled to attend and vote thereat in accordance with the provisions of these Bye-laws.

34. Chairman to Preside

Unless otherwise agreed by a majority of those attending and entitled to vote thereat, the Chairman, if there be one, and if not the President, shall act as chairman at all meetings of the Members at which such person is present. In their absence, the Deputy Chairman or Vice President, if present, shall act as chairman and in the absence of all of them a chairman shall be appointed or elected by those present at the meeting and entitled to vote.

35. Voting on Resolutions

- 35.1** Subject to the provisions of the Act and these Bye-laws, any question proposed for the consideration of the Members at any general meeting shall be decided by the affirmative vote of a majority of the votes cast voting as a combined class (or in the case of any matters required to be approved by the holders of shares voting as a single class, by the affirmative vote of a majority of the votes cast of the class of shares entitled to vote at such general meeting) in accordance with the provisions of these Bye-laws, and in the case of an equality of votes the resolution shall fail.
- 35.2** No Member shall be entitled to vote at a general meeting unless such Member has paid all the calls on all shares held by such Member.
- 35.3** At any general meeting a resolution put to the vote of the meeting shall, in the first instance, be voted upon by a show of hands and, subject to any rights or restrictions for the time being lawfully attached to any class of shares and subject to the provisions of these Bye-laws, every Member present in person and every person holding a valid proxy at such meeting shall be entitled to one vote and shall cast such vote by raising his or her hand.
- 35.4** At any general meeting, if an amendment shall be proposed to any resolution under consideration and the chairman of the meeting shall rule on whether the proposed amendment is out of order, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling.

35.5 At any general meeting, a declaration by the chairman of the meeting that a question proposed for consideration has, on a show of hands, been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in a book containing the minutes of the proceedings of the Company shall, subject to the provisions of these Bye-laws, be conclusive evidence of that fact.

36. Power to Demand a Vote on a Poll

36.1 Notwithstanding the foregoing, a poll may be demanded by any of the following persons:

- (a) the chairman of such meeting; or
- (b) at least three Members present in person or represented by proxy; or
- (c) any Member or Members present in person or represented by proxy and holding between them not less than one-tenth of the total voting rights of all the Members having the right to vote at such meeting; or
- (d) any Member or Members present in person or represented by proxy holding shares in the Company conferring the right to vote at such meeting, being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all such shares conferring such right.

36.2 Where a poll is demanded, subject to any rights or restrictions for the time being lawfully attached to any class of shares, every person present at such meeting shall have one vote for each share of which such person is the holder or for which such person holds a proxy and such vote shall be counted by ballot as described herein, or in the case of a general meeting at which one or more Members are present by telephone, in such manner as the chairman of the meeting may direct and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded and shall replace any previous resolution upon the same matter which has been the subject of a show of hands. A person entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way.

36.3 A poll demanded for the purpose of electing a chairman of the meeting or on a question of adjournment shall be taken forthwith and a poll demanded on any other question shall be taken in such manner and at such time and place at such meeting as the chairman (or acting chairman) of the meeting may direct and any business other than that upon which a poll has been demanded may be proceeded with pending the taking of the poll.

36.4 Where a vote is taken by poll, each person present and entitled to vote shall be furnished with a ballot paper on which such person shall record his vote in such manner as shall be determined at the meeting having regard to the nature of the question on which the vote is taken, and each ballot paper shall be signed or initialed or otherwise marked so as to identify the voter and the registered holder in the case of a proxy. At the conclusion of the poll, the ballot papers shall be examined and counted by a committee of not less than two Members or proxy holders appointed by the chairman for the purpose and the result of the poll shall be declared by the chairman.

37. Voting by Joint Holders of Shares

In the case of joint holders, the vote of the senior who tenders a vote (whether in person or by proxy) shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register of Members.

38. Instrument of Proxy

38.1 A Member may appoint a proxy by (a) an instrument appointing a proxy in writing in substantially the following form or such other form as the Board may determine from time to time:

(Any restrictions on voting to be inserted here.)

Signed this [] day of [], 20 []

Member(s)

or (b) such telephonic, electronic or other means as may be approved by the Board from time to time.

38.2 The appointment of a proxy must be received by the Company at the registered office or at such other place or in such manner as is specified in the notice convening the meeting or in any instrument of proxy sent out by the Company in relation to the meeting at which the person named in the appointment proposes to vote, and an appointment of proxy which is not received in the manner so permitted shall be invalid.

38.3 A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf.

38.4 The decision of the chairman of any general meeting as to the validity of any appointment of a proxy shall be final.

39. Representation of Corporate Member

39.1 A corporation which is a Member may, by written instrument, authorise such person or persons as it thinks fit to act as its representative at any meeting of the Members and any person so authorised shall be entitled

79. 100% Mandatory Offer

79.1 For purposes of this Bye-law 79, the capitalized terms below shall have the following meanings:

“Change of Control” means a transaction or series of related transactions pursuant to which any Third Party Control Buyer acquires, directly or indirectly, Control of the Company or the Partnership (including by means of the acquisition of the Class C Share) from Persons that were Partners and/or any Partner Holding Company on the date of such transaction or series of related transactions, and shall include any transaction or series of transactions related to such acquisition of Control, pursuant to which a Third Party Control Buyer (or its Affiliates) purchases from the Partners and/or a Partner Holding Company, Equity Interests of the Company or the Partnership.

“Pactual Group” means the Bank, the Partnership, PPLA Participations Ltd. and their respective Subsidiaries, as a group.

“Partner” means any Partner Individual Shareholder and “Partners” means, collectively, the Partner Individual Shareholders.

“Partner Holding Company” means any Person that is wholly-owned by one or more Partners (including BTG Pactual Holding S.A., BTG Pactual GP Management Ltd. and BTG Pactual Partnerco Ltd.).

“Partner Individual” means any individual who is or was an employee or officer (or acts or acted in a similar capacity) of one or more entities within the Pactual Group.

“Partner Individual Shareholder” means, as of any date of determination, a Person that (a) directly or indirectly holds Partnership Interests (or Company Economic Units) as of such date of determination, and (b) is (i) a Partner Individual, (ii) a Family Member of a Partner Individual, (iii) an Affiliate of a Partner Individual, or (iv) a Person, the ultimate beneficial owners of which are one or more Partner Individuals, Family Members of Partner Individuals or Affiliates of Partner Individuals, in each case, as of such date of determination.

“Third Party Control Buyer” means any Person that as a result of one transaction or a series of related transactions acquires Control of the Company or the Partnership, provided that no such Person that (a) is a Partner or group of Partners or will become a Partner or group of Partners in connection with such transaction or (b) is a Partner Holding Company, shall be considered a Third Party Control Buyer.

“Units” means deposit certificates of securities, representing Bank Units and the Brazilian Depositary Receipts (“BDRs”) representing Company Economic Units, provided that sponsoring such Units is approved by the Board of Directors of the Company and the Bank, as applicable.

- 79.2** If the Company decides to sponsor a program for the issuance of Units, the only shares of the Company that will have the rights provided for in this Bye-law 79 shall be shares held as a Company Economic Unit duly deposited and held through a depositary (the “**Depositary Institution**”) so as to be represented by BDRs in the form of Units tradable on BM&FBOVESPA. The rights provided under this Bye-law 79 will not be available in respect of any shares of the Company that are not held through a Depositary Institution as part of a Unit at the moment any Change of Control transaction is announced by the Company or the Third Party Control Buyer (the “**Announcement**”). For greater certainty, from the moment that an Announcement is released, only shares of the Company held as a Company Economic Unit which are deposited with a Depositary Institution to underlie Units that were issued and registered by the Depositary Institution in the closing auction of BM&FBOVESPA on the date of the Announcement will be granted the benefits provided in this Bye-law 79. In addition, if any Units are voluntarily cancelled by any holder of Units after the Announcement, the underlying shares of the Company forming part of the Company Economic Units held as BDRs shall not have any rights under, and shall not benefit from, the provisions in this Bye-law 79, except in the case that the Company notifies the Depositary Institution that such cancellation is actually necessary in order for the corresponding underlying Company Economic Units held as BDRs as part of the Unit to participate in the public acquisition offer and exercise any of the rights provided for in this Bye-law 79. The Company shall provide such notice to the Depositary Institution in the event that the Change of Control transaction does not also involve a change of control of the Bank that triggers an obligation of the buyer under the bylaws of the Bank to also commence an offer to purchase all of the Bank Unit Underlying Securities (including those that may be held in the form of a Bank Unit, Approved Bank Unit or a Unit).
- 79.3** A Change of Control transaction shall be subject to a condition subsequent that the Third Party Control Buyer has agreed to make, by execution of an enforceable deed poll under Bermuda Law for the benefit of the Members of the Company or in any other enforceable manner permitted by applicable law, an

irrevocable tender offer to acquire 100% of the shares of the Company underlying Company Economic Units (but only to the extent such Company Economic Units are represented as BDRs held in the form of Unit as of the date of the public release of the Announcement, as described in 79.2 herein) at a price per Company Economic Unit determined in accordance with Bye-laws 79.4, 79.5 and 79.6, and upon other terms and conditions that are the same as that offered by the Third Party Control Buyer in its acquisition of Control of the Company or the Partnership in such Change of Control transaction. In addition:

- (a) Such tender offer must be commenced within 30 (thirty) days after the Third Party Control Buyer consummates the Change of Control transaction (or, if the change of Control is effected in a series of related transactions, up to 30 (thirty) days after the transaction in which the Third Party Control Buyer has actually acquired Control).
- (b) Notwithstanding the full compliance with the condition described in the lead-in and clause (a) of this Bye-law 79.3, with respect to the Change of Control, the Partners and/or the Partner Holding Company may not consummate a Change of Control, unless such Change of Control has been approved by the relevant governmental authorities in Bermuda responsible for approving such Change of Control (if any such approvals are required).

79.4 If the Change of Control is achieved through a single transaction (and not a series of related transactions), then, subject to Bye-laws 79.5 and 79.6 below, the tender offer provided in Bye-law 79.3 shall be made by the Third Party Control Buyer for a price per Company Economic Unit that is at least equal to the price per Company Economic Unit (or Partnership Unit) paid by the Third Party Control Buyer to the Partners and/or a Partner Holding Company in the single Change of Control transaction. However, if the Change of Control involves a series of related transactions, then, subject to Bye-laws 79.5 and 79.6 below, the tender offer provided in Bye-law 79.3 shall be made by the Third Party Control Buyer for a price per Company Economic Unit that is at least equal to the weighted average price per Company Economic Unit (or Partnership Unit) that such Third Party Control Buyer paid to the Partners and/or a Partner Holding Company in all such transactions that occurred within one year prior to and including the date of the consummation of the transaction in which the Third Party Control Buyer actually acquires Control of the Partnership or the Company.

79.5 If in connection with a Change of Control, the Third Party Control Buyer acquires Company Economic Units (or Partnership Units) indirectly from the Partners by purchasing equity securities in a Partner Holding Company (rather than acquiring Equity Interests held directly by the Partners or a Partner Holding Company), then the price Company Economic Unit (as specified in Bye-law 79.4, and subject to Bye-law 79.6) required to be offered by the Third Party Control Buyer in the tender offer provided in Bye-law 79.3 above shall be equitably adjusted to account for, among other things any assets (other than the Equity Interests of the Company or the Partnership) or liabilities of the Partner Holding Company.

79.6 Any consideration (including the value of any retention package or non-compete payments) received, directly or indirectly, by any Partner in a Change of Control transaction that is related to his or her status as

an employee, officer, consultant, director or other similar position of one or more entities within the Pactual Group that involves such Partner providing services to any such entity within the Pactual Group or refraining from providing services to any other Person or from competing with any entity within the Pactual Group, even if such consideration is received in connection with the Change of Control, shall not, in each case, be included in the determination of the price paid per Company Economic Unit (or Partnership Unit) by the Third Party Control Buyer in such Change of Control, and such consideration shall be construed as an independent consideration paid for the Company Economic Unit (or Partnership Unit) transferred to such Third Party Control Buyer from the Partners (or from any Partner Holding Company).

79.7 Notwithstanding anything herein to the contrary, if a Third Party Control Buyer or an Affiliate thereof is required to make a Statutory Mandatory Offer pursuant to Bye-law 80, and such Statutory Mandatory Offer would result in the holders of Company Economic Units receiving a price per Company Economic Unit that is greater than that which would be received in the offer required pursuant to Bye-law 79.3, the Third Party Control Buyer shall not be required to make such offer required pursuant to Bye-law 79.3.

80. Statutory Mandatory Tender Offer

The Company may not permit the Disposition by any Member of the Class C Share or any Company Economic Unit (including any Company Economic Unit that may be received by such Member pursuant to a Withdrawal Transaction) to a Statutory Bank Control Buyer (or any Affiliate thereof) unless as a condition subsequent to the effectiveness of any such Disposition (a "Statutory Mandatory Offer Transaction"), the Statutory Bank Control Buyer (or such Affiliate) has agreed to make, by execution of an enforceable deed poll under Bermuda Law for the benefit of the Members of the Company or in any other enforceable manner permitted by applicable law, an irrevocable offer to purchase from the Members ("Statutory Mandatory Offer"), within 30 days of the consummation of such Statutory Mandatory Offer Transaction, all outstanding Company Economic Units (including any shares that may be issued in connection with a Withdrawal Transaction) for a purchase price that is at least 80% of the price paid per Company Economic Unit in the Statutory Mandatory Offer Transaction.

Notwithstanding anything herein to the contrary, if a Statutory Bank Control Buyer or an Affiliate thereof is required to make an offer pursuant to Bye-law 79.3, and such offer would result in the holders of Company Economic Units eligible to participate in such offer receiving a price per Company Economic Unit that is greater than that which would be received by such holder of Company Economic Units in a Statutory Mandatory Offer, the Statutory Bank Control Buyer shall not be required to make a Statutory Mandatory Offer with respect to such holder of such eligible Company Economic Units; it being understood that such Statutory Mandatory Offer shall be required with respect to any Company Economic Units that are not eligible to participate in such offer pursuant to Bye-law 79.2.

81. Approved Bermuda Units 100% tag-along:

81.1 For purposes of this Bye-law 81 and this Agreement, "Approved Bermuda Units" means deposit certificates of securities of the Company representing BDRs representing those Equity Interests of the Company (but

not any Equity Interests in the Bank) that the Board of Directors of the Company has determined to, and has publicly confirmed such determination, sponsor as a unit from time to time.

- 81.2** If the Company decides to sponsor a program for the issuance of one or more Approved Bermuda Units (other than the Company Economic Units duly deposited and held through a the Depository Institution so as to be represented by BDRs in the form of Units tradable on BM&FBOVESPA at the time of Announcement, which Company Economic Units held as part of a Unit will be governed by the provisions of Bye-Law 79 and Bye-law 80), the only shares of the Company that will have the rights provided for in this Bye-law 81 shall be shares held as an Approved Bermuda Unit duly deposited and held through a depository (the “**Alternative Depository Institution**”) so as to be represented by BDRs in the form of Approved Bermuda Units tradable on BM&FBOVESPA. The rights provided under this Bye-law 81 will not be available in respect of any shares of the Company that are not held through an Alternative Depository Institution as part of an Approved Bermuda Unit at the moment of any Announcement by the Company or the Third Party Control Buyer regarding the occurrence of a Change of Control. For greater certainty, from the moment that an Announcement is released, only shares of the Company held as an Approved Bermuda Unit which are deposited with an Alternative Depository Institution and that were issued and registered by the Alternative Depository Institution in the closing auction of BM&FBOVESPA on the date of the Announcement will be granted the benefits provided in this Bye-law 81. In addition, if any Approved Bermuda Units are voluntarily cancelled by any holder of such Approved Bermuda Units after the Announcement, the underlying shares of the Company forming part of the Approved Bermuda Units held as BDRs shall not have any rights under, and shall not benefit from, the provisions in this Bye-law 81, except in the case that the Company notifies the Alternative Depository Institution that such cancellation is actually necessary in order for the corresponding securities underlying such Approved Bermuda Units to participate in the public acquisition offer and exercise any of the rights provided for in this Bye-law 81. The Company shall provide such notice to the Alternative Depository Institution in the event that a holder of Approved Bermuda Units needs to hold the Equity Interests of the Company underlying such Approved Bermuda Units in order to participate in the public acquisition offer and exercise any of the rights provided for in this Bye-law 81.
- 81.3** Without limiting the rights provided under Bye-Law 79 regarding the tender offer requirement relating to shares of the Company underlying Company Economic Units that are represented as BDRs held in the form of Unit as of the date of the public release of the Announcement, as described in Bye-law 79.2 herein), if there are also Approved Bermuda Units, then a Change of Control transaction shall also be subject to a condition subsequent that the Third Party Control Buyer has agreed to make, by execution of an enforceable deed poll under Bermuda Law for the benefit of the Members of the Company or in any other enforceable manner permitted by applicable law, an irrevocable tender offer to acquire 100% of the shares of the Company underlying any Approved Bermuda Unit (but only to the extent such Approved Bermuda Units are represented as BDRs held in the form of Approved Bermuda Unit as of the date of the public release of the Announcement, as described in this Bye-law 81.2 herein) at a price per Approved Bermuda Unit determined in accordance with Bye-laws 81.4, 81.5 and 81.6, and upon other terms and conditions

that are the same as that offered by the Third Party Control Buyer in its acquisition of Control of the Company or the Partnership in such Change of Control transaction. In addition:

- (a) Such tender offer must be commenced within 30 (thirty) days after the Third Party Control Buyer consummates the Change of Control transaction (or, if the change of Control is effected in a series of related transactions, up to 30 (thirty) days after the transaction in which the Third Party Control Buyer has actually acquired Control).
- (b) Notwithstanding the full compliance with the condition described in the lead-in and clause (a) of this Bye-law 81.3, with respect to the Change of Control, the Partners and/or the Partner Holding Company may not consummate a Change of Control, unless such Change of Control has been approved by the relevant governmental authorities in Bermuda responsible for approving such Change of Control (if any such approvals are required).

81.4 If the Change of Control is achieved through a single transaction (and not a series of related transactions), then, subject to Bye-laws 81.5 and 81.6 below, the tender offer provided in Bye-law 81.3 shall be made by the Third Party Control Buyer for a price per Approved Bermuda Unit that is at least equal to the price per Approved Bermuda Unit, Company Economic Unit or Partnership Unit, as applicable, paid by the Third Party Control Buyer to the Partners and/or a Partner Holding Company in the single Change of Control transaction. However, if the Change of Control involves a series of related transactions, then, subject to Bye-laws 81.5 and 81.6 below, the tender offer provided in Bye-law 81.3 shall be made by the Third Party Control Buyer for a price per Approved Bermuda Unit that is at least equal to the weighted average price per Approved Bermuda Unit, Company Economic Unit or Partnership Unit, as applicable, that such Third Party Control Buyer paid to the Partners and/or a Partner Holding Company in all such transactions that occurred within one year prior to and including the date of the consummation of the transaction in which the Third Party Control Buyer actually acquires Control of the Partnership or the Company.

81.5 If in connection with a Change of Control, the Third Party Control Buyer acquires Approved Bermuda Units, Company Economic Units or Partnership Units indirectly from the Partners by purchasing equity securities in a Partner Holding Company (rather than acquiring Equity Interests held directly by the Partners or a Partner Holding Company), then the price per Approved Bermuda Unit (as specified in Bye-law 81.4, and subject to Bye-law 81.6) required to be offered by the Third Party Control Buyer in the tender offer provided in Bye-law 81.3 above shall be equitably adjusted to account for, among other things any assets (other than the Equity Interests of the Company or the Partnership) or liabilities of the Partner Holding Company.

81.6 Any consideration (including the value of any retention package or non-compete payments) received, directly or indirectly, by any Partner in a Change of Control transaction that is related to his or her status as an employee, officer, consultant, director or other similar position of one or more entities within the Pactual Group that involves such Partner providing services to any such entity within the Pactual Group or refraining from providing services to any other Person or from competing with any entity within the Pactual Group, even if such consideration is received in connection with the Change of Control, shall not, in each

case, be included in the determination of the price paid per Approved Bermuda Unit, Company Economic Unit or Partnership Unit by the Third Party Control Buyer in such Change of Control, and such consideration shall be construed as an independent consideration paid for the Approved Bermuda Unit, Company Economic Unit or Partnership Unit transferred to such Third Party Control Buyer from the Partners (or from any Partner Holding Company).

81.7 Notwithstanding anything herein to the contrary, if a Third Party Control Buyer or an Affiliate thereof is required to make a Statutory Alternative Mandatory Offer pursuant to Bye-law 82, and such Statutory Alternative Mandatory Offer would result in the holders of Approved Bermuda Units receiving a price per Approved Bermuda Unit that is greater than that which would be received in the offer required pursuant to Bye-law 81.3, the Third Party Control Buyer shall not be required to make such offer required pursuant to Bye-law 81.3.

82. Alternative Statutory Tender Offer

The Company may not permit the Disposition by any Member of the Class C Share or any Approved Bermuda Unit to a Statutory Bank Control Buyer (or any Affiliate thereof) unless as a condition subsequent to the effectiveness of any such Disposition (a "Statutory Alternative Mandatory Offer Transaction"), the Statutory Bank Control Buyer (or such Affiliate) has agreed to make, by execution of an enforceable deed poll under Bermuda Law for the benefit of the Members of the Company or in any other enforceable manner permitted by applicable law, an irrevocable offer to purchase from the Members ("Statutory Alternative Mandatory Offer"), within 30 days of the consummation of such Statutory Alternative Mandatory Offer Transaction, all outstanding Approved Bermuda Units for a purchase price that is at least 80% of the price paid per Approved Bermuda Unit in the Statutory Alternative Mandatory Offer Transaction.

Notwithstanding anything herein to the contrary, if a Statutory Bank Control Buyer or an Affiliate thereof is required to make an offer pursuant to Bye-law 81.3, and such offer would result in the holders of Approved Bermuda Units eligible to participate in such offer receiving a price per Approved Bermuda Unit that is greater than that which would be received by such holder of Approved Bermuda Units in a Statutory Alternative Mandatory Offer, the Statutory Bank Control Buyer shall not be required to make a Statutory Alternative Mandatory Offer with respect to such holder of such eligible Approved Bermuda Units; it being understood that such Statutory Alternative Mandatory Offer shall be required with respect to any Approved Bermuda Units that are not eligible to participate in such offer pursuant to Bye-law 81.2.
